

# BLACKVIEW EXTERIOR

## PREMIUM WINDOW FILM DATASHEET

The Blackview series is part of Platinum's elite premium segment, crafted with an advanced combination of nano-ceramic technologies. Engineered for maximum performance, Blackview provides superior protection against intense heat, UV fading, and unwanted visibility. It delivers a stunning, deep-black tinted exterior that closely mimics the luxurious appearance of factory-dyed flat glass, all while guaranteeing flawless, distortion-free optical clarity from the inside out.

## Key Advantages

- Black tone
